

# Shrubbler® 360° & 180° Adjustable Flow Patented

The original Shrubbler® with patented flow adjustment. When the cap is rotated the flow and radius adjust from a gentle stream pattern, to drip and finally shut off.

## FEATURES

- Simple finger-tip cap control for flow adjustment.
- Spike model to extend Shrubbler® from the main supply line.

## APPLICATIONS

Suitable for small pots, big tubs, planter boxes, garden beds, landscaped gardens and nurseries.

Shrubbler® Spike  
4 mm Barb

Shrubbler® 4 mm Barb

Shrubbler® 4 mm Thread

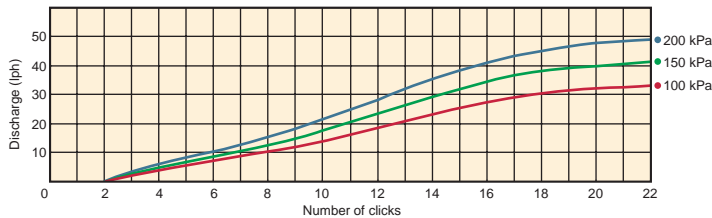

Shrubbler® 1/2" Thread

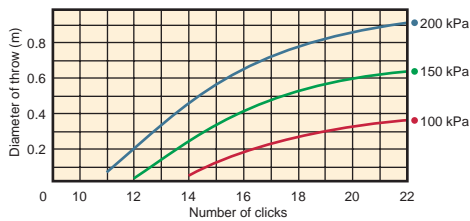

PERFORMANCE			 360°	 180°
	PRESSURE (kPa)	FLOW (lph)	THROW Dia. (m)	THROW Rad. (m)
fully open (approx. 22 clicks)	100	33	0.37	0.37
	150	41	0.64	0.50
	200	49	0.92	0.63

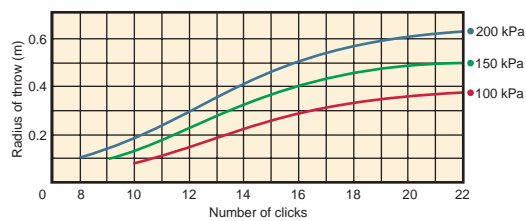

## FLOW RATE 360° & 180°

## DIAMETER OF THROW 360°

## RADIUS OF THROW 180°
